Content that includes mature themes is not suitable for the Studio Gallery.

Please contact the Venues Manager if you have any queries regarding the placement or installation of artworks OR the content of artwork. Micro Plastics / Single-Use Plastics / Balloons

In 2025, SAC is reviewing our Environmental Policies to ensure that all Hirers and Artists of Salamanca Arts Centre Venues are committed to the protection of Tasmania's environment and wildlife, and to ensure that all events, exhibitions and performances that occur at Salamanca Arts

Centre are compliant with existing State and Hobart Council laws and by-laws. These policies include a ban on micro plastics (glitter) and balloons, and support an ongoing significant reduction of single-use plastics and products.

Micro plastics can find their way, even indirectly, into SAC's plumbing and other internal and external waterways. Balloons can escape into the atmosphere or when deflated become a risk to bird and other wildlife. Other matter, such as loose glitter (of any kind) is not permitted within SAC as it becomes lodged within seats and other crevasses and is impossible to clean.

Confetti, rice, streamers (including party poppers), balloons (of any kind and no matter how they are inflated), sky lanterns or similar materials are not permitted within SAC.

None of the above items are to be scattered, thrown or released into the air or waterways. Hirers and Artists are reminded that balloon releases are [illegal within Tasmania](#).

Hirers and artists are encouraged to substitute environmentally sustainable alternatives for their events and celebrations.

SAC discourages the use of any single-use plastics and products at all events, exhibitions and performances that occur at SAC. Hirers and artists are encouraged to utilise reusable, recyclable and compostable products and are reminded that they must comply with the [Hobart City Council Single-Use Plastics By-Law](#).
