The Basics

The Long Gallery is the premier exhibition space within Salamanca Arts Centre, but has a fine natural acoustic, which makes it perfect also for musical performances and events, as it has an intimacy and warmth that is hard to beat.

Originally a store for whaling products, then filled with can-labeling machinery during the jam factory days, the Long Gallery has provided the backdrop to countless exhibitions, conventions, balls, auctions, recitals, workshops, product launches and live performances.

An enigmatic venue where 180 year-old polished floorboards stretch for 30 metres past rows of oaken columns to limewashed sandstone walls. With French doors opening above Salamanca Place, the Long Gallery is always in high demand for exhibitions, functions, conferences, and acoustic music events. Facilities include contemporary track lighting, demountable hanging panels, and a gallery hanging system.

Located on Level 1 of SAC in the Morrison Building, the Long Gallery can be accessed via the main staircase from Salamanca Place or via the lift in the Courtyard.

- The Capacity of the Long Gallery is maximum **400 people****
 **This includes patrons / guests, children, babies, performers, technicians and other crew.
- Standing / Free Moving Event : maximum **400 people****

All banners must relate to events / exhibitions occurring at SAC. All costs associated with the design, printing and delivery of the banner are the responsibility of the Hirer. Banners must be designed and printed as per SAC specifications, and must

be approved by the Communications & Marketing Manager prior to printing. Any unapproved banners or banners not meeting SAC specifications will not be hung.

Due to the position of the banner hanging location, SAC Staff are responsible for the hanging of all banners. The Hirer will be invoiced for an installation charge for the banner.

Statistics Reporting

Hirers are required to provide SAC with statistics at the end of their hire, including the number of paid and free attendees to their exhibition and events, and the number of artists involved.

Hirers will be issued with a Statistics Request form to complete at the end of their hire period. All statistics are collated annually in the SAC Annual Report and used for various purposes by SAC.

Application & Assessment

Application

All applications for the Long Gallery must be submitted online via the SAC website. Applications by any other means will not be accepted.

Please refer to the SAC website for the full application requirements.

Assessment

All applications will be assessed by the SAC Assessment Panel.

The application process is very competitive. SAC receives more applications than dates available; approximately 60% of applicants were successful in the previous round.

As the Long Gallery is primarily a visual arts venue, it is utilised by exhibitions for the majority of the time. As a result, only a limited amount of Private Functions / Events are approved for the Long Gallery each year (approx. 4 per year).

All applicants will be notified of the outcome of their application by email in due course. All decisions are final, and no further correspondence will be entered into.

Dates are not confirmed until an application is approved by SAC, the Agreement for Hire has been signed / returned by the Hirer and the deposit paid.

Submission Dates

Applications for the Long Gallery are assessed twice annually.

The annual submission dates usually are:

- midnight 30 April
- midnight 30 September

Please note: SPECIAL Submission Rounds may be called as and if required. In this case, please refer to the SAC website for Submission Dates for SPECIAL ROUNDS.
